

Title 33
ENVIRONMENTAL QUALITY
Part VII. Solid Waste

Subpart 1. Solid Waste Regulations

Chapter 5. Solid Waste Management System

Subchapter B. Permit System for Facilities Classified for Upgrade or Closure

§513. Permit Process for Existing Facilities Classified for Upgrade and for Proposed Facilities

A. Applicant Public Notice

1. No sooner than 45 days prior to the submittal of a standard permit application to the Office of Environmental Services, Permits Division, the prospective applicant shall publish a notice of intent to submit an application for a standard permit. This notice shall be published one time as a single classified advertisement measuring three columns by five inches, in the legal or public notices section of the official journal of this state and in a major local newspaper of general circulation ~~the official journal of the parish where the facility is located~~. If the affected area is Baton Rouge, a single classified advertisement measuring three columns by five inches, in the legal or public notices section of the official journal of the state will be the only public notice required.

A.2. - F.2. ...

3. After the five copies are submitted to the Office of Environmental Services, Permits Division, notices will be placed in the department's bulletin (if one is available), the official journal of the state, and in a major local newspaper of general circulation ~~the official journal of the parish where the facility is located~~. The Office of Environmental Services, Permits Division shall publish a notice of acceptance for review one time as a single classified advertisement measuring three columns by five inches in the legal or public notices section of the official journal of the state and one time as a classified advertisement in the legal or public notices section of a major local newspaper of general circulation ~~the official journal of the parish where the facility is located~~. If the affected area is Baton Rouge, a single classified advertisement measuring three columns by five inches in the official journal of the state will be the only public notice required. The notices will solicit comment from interested individuals and groups. Comments received by the administrative authority within 30 days after the date the notice is published in the local newspaper will be reviewed by the Office of Environmental Services, Permits Division. The notice shall be published in accordance with the sample public notice provided by the Office of Environmental Services, Permits Division. The applicant is responsible for providing the Office of Environmental Services, Permits Division with proof of publication.

4. - 5. ...

6. Public Notice of a Public Hearing. If the administrative authority determines that a hearing is necessary, notices will be published at least 20 days before a fact-finding hearing in the official journal of the state and in a major local newspaper of general

~~circulation~~the official journal of the parish where the facility is located. The notice shall be published one time as a single classified advertisement measuring three columns by five inches in the legal or public notices section of the official journal of the state and one time as classified advertisement in the legal or public notices section of a major local newspaper of general circulation~~the official journal of the parish where the facility is located~~. If the affected area is Baton Rouge, a single classified advertisement measuring three columns by five inches in the official journal of the state will be the only public notice required. Those persons on the Office of Environmental Services, Permits Division's mailing list for hearings shall be mailed notice of the hearing at least 20 days before a public hearing. A notice shall also be published in the departmental bulletin, if available.

F.7. - G.2. ...

H. Public Notice of Permit Issuance. No later than 10 days following the issuance of a standard permit, the permit holder shall publish a notice of the issuance of the standard permit. This notice shall be published in the official journal of the state and in a major local newspaper of general circulation~~the official journal of the parish where the facility is located~~. The notice shall be published one time as a single classified advertisement measuring three columns by five inches in the legal or public notices section of the official journal of the state, and one time as a classified advertisement in the legal or public notices section of a major local newspaper of general circulation~~the official journal of the parish where the facility is located~~. If the affected area is Baton Rouge, a single classified advertisement measuring three columns by five inches in the official journal of the state will be the only public notice required.

AUTHORITY NOTE: Promulgated in accordance with R.S. 30:2001 et seq.

HISTORICAL NOTE: Promulgated by the Department of Environmental Quality, Office of Solid and Hazardous Waste, Solid Waste Division, LR 19:187 (February 1993), amended by the Office of Environmental Assessment, Environmental Planning Division, LR 26:2519 (November 2000), amended by the Office of Environmental Assessment, LR 30:

§517. Permit Modifications

A. - A.2.c. ...

d. After distribution of the permit modification, the permit holder is responsible for placing a notice in the official journal of the state and in a major local newspaper of general circulation~~in the official journal of the parish where the facility is located~~. The notice shall be published one time as a single classified advertisement measuring three columns by five inches in the legal or public notices section of the official journal of the state, and one time as a classified advertisement in the legal or public notices section of a major local newspaper of general circulation~~the official journal of the parish where the facility is located~~. If the affected area is Baton Rouge, a single classified advertisement measuring three columns by five inches in the official journal of the state will be the only public notice required. The notice will solicit comments from interested individuals and groups. Comments delivered or received within 30 days after the date the notices are published will be reviewed by the Office of Environmental Services, Permits Division. The notice shall be published in accordance with a sample public notice provided by the Office of Environmental Services, Permits Division. The permit holder is responsible for providing the Office of Environmental Services, Permits Division with proof of publication of the notice.

2.e. - 4. ...

AUTHORITY NOTE: Promulgated in accordance with R.S. 30:2001 et seq., and in particular Section 2014.2.

HISTORICAL NOTE: Promulgated by the Department of Environmental Quality, Office of Solid and Hazardous Waste, Solid Waste Division, LR 19:187 (February 1993), amended by the Office of the Secretary, LR 25:661 (April 1999), amended by the Office of Environmental Assessment, Environmental Planning Division, LR 26:2520 (November 2000), amended by the Office of Environmental Assessment, LR 30:

Subpart 2. Recycling

Chapter 105. Waste Tires

§10513. Permit Process for Existing Facilities Classified for Upgrade and for Proposed Facilities

A. Applicant Public Notice

1. No sooner than 45 days prior to the submittal of a standard permit application to the Office of Environmental Services, Permits Division, the prospective applicant shall publish a notice of intent to submit an application for a waste tire standard permit. This notice shall be published one time as a single classified advertisement measuring three columns by five inches, in the legal or public notices section of the official journal of this state and a major local newspaper of general circulation~~the official journal of the parish where the facility is located~~. If the affected area is Baton Rouge, a single classified advertisement measuring three columns by five inches, in the legal or public notices section of the official journal of the state will be the only public notice required.

A.2. - F.2. ...

3. After the six copies are submitted to the department, a notice shall be placed in the office bulletin (if one is available), the official journal of the state, and a major local newspaper of general circulation~~the official journal of the parish or municipality where the facility is located~~. The department shall publish a notice of acceptance for review one time as a single classified advertisement measuring three columns by five inches in the legal or public notices section of the official journal of the state and one time as a classified advertisement in the legal or public notices section of a major local newspaper of general circulation~~the official journal of the parish or municipality where the facility is located~~. If the affected area is Baton Rouge, a single classified advertisement measuring three columns by five inches in the official journal of the state shall be the only public notice required. The notice shall solicit comment from interested individuals and groups. Comments received by the administrative authority within 30 days after the date the notice is published in the local newspaper shall be reviewed by the department. The notice shall be published in accordance with the sample public notice provided by the department.

4. - 5. ...

6. Public Notice of a Public Hearing. If the administrative authority determines that a hearing is necessary, a notice shall be published at least 20 days before a fact-

finding hearing in the official journal of the state and in a major local newspaper of general circulation~~the official journal of the parish or municipality where the facility is located~~. The notice shall be published one time as a single classified advertisement measuring three columns by five inches in the legal or public notices section of the official journal of the state and one time as classified advertisement in the legal or public notices section of a major local newspaper of general circulation~~the official journal of the parish where the facility is located~~. If the affected area is Baton Rouge, a single classified advertisement measuring three columns by five inches in the official journal of the state shall be the only public notice required. Those persons on the department's mailing list for hearings shall be mailed notice of the hearing at least 20 days before a public hearing. A notice shall also be published in the departmental bulletin, if available.

F.7. - G.2. ...

H. Public Notice of Permit Issuance. No later than 10 days following the issuance of a standard permit, the permit holder shall publish a notice of the issuance of the standard permit. This notice shall be published in the official journal of the state and in a major local newspaper of general circulation~~the official journal of the parish or municipality where the facility is located~~. The notice shall be published one time as a single classified advertisement measuring three columns by five inches in the legal or public notices section of the official journal of the state, and one time as a classified advertisement in the legal or public notices section of a major local newspaper of general circulation~~the official journal of the parish where the facility is located~~. If the affected area is Baton Rouge, a single classified advertisement measuring three columns by five inches in the official journal of the state will be the only public notice required. The permit holder shall provide proof of publication of the notice(s) to the department.

AUTHORITY NOTE: Promulgated in accordance with R.S. 30:2411-2422.

HISTORICAL NOTE: Promulgated by the Department of Environmental Quality, Office of Solid and Hazardous Waste, Solid Waste Division, LR 18:39 (January 1992), amended LR 20:1001 (September 1994), amended by the Office of Environmental Assessment, Environmental Planning Division, LR 26:2775 (December 2000), LR 27:829 (June 2001), amended by the Office of Environmental Assessment, LR 30:
